FAQs

Q: Can Tactical Squads, Sternguard Squads, Devastator Squads, Vanguard Squads and Assault Squads and Death Company take any dedicated transport, or just the ones shown on page 90?

A: Any. The page reference indicates the start of the section.

Q: Does the Sanguinary Priest benefit from the effects of his own Blood Chalice?

A: Yes.

Q: At what point does my model need to be in range of a Sanguinary Priest to gain the bonuses of Furious Charge?

A: When you put the bonuses to use, i.e. when the model makes its close combat attacks.

Q: Can a Baal Predator move Flat Out during its Scout move?

A: Yes.

Q: Can a Baal Predator use smoke launchers during its Scout move?

A: Yes.

Q: Blood Lance is a psychic shooting attack that can hit multiple units. If the Librarian wishes to assault after using Blood Lance, which unit(s) is he permitted to assault?

A: Only the first unit hit by the Blood Lance.

Q: If a unit with Descent of Angels rule Deep Strikes via a transport, teleport or means other than by jump pack, can the Descent of Angels rule still be used?

A: No.

Q: Is Tycho's Deadman's Hand an additional close combat weapon?

A: No.

Q: Can a Furioso Librarian still use a psychic shooting attack if he has no weapons left?

A: Yes.

Q: If a Furioso Librarian suffers a Perils of the Warp and the resulting Glancing hit causes a "Damaged – Weapon Destroyed" result, who chooses the weapon to be destroyed – the Blood Angels player, or the opponent?

A: The opponent.

Q: Can a Furioso Librarian take additional equipment (such as extra armour)?

A: No.

Q: Do vehicles gain a cover save from Shield of Sanguinius?

A: Yes.

Q: Can a Magna-Grapple cause a non-tank vehicle to tank shock?

A: Yes.

Q: Are the Sanguinor, Mephiston and Death Company Tycho independent characters, or single model units in their own right?

A: Single model units in their own right.

Q: Can you stack multiple copies of the Descent of Angels rule to prevent a unit from scattering at all?

A: No.

Q: Can Corbulo's dice roll be used to affect the result of roll-offs for deployment zones and first turn?

A: No.
