

Based on J.R.R. Tolkien's MIDDLE-EARTH™ as detailed in THE HOBBIT™ and THE LORD OF THE RINGS™.

Lost Realm of CARDOLAN™

The Kingdom of Cardolan encompasses all of the lands between the Rivers Brandywine, Greyflood, and Hoarwell. For a time, Cardolan stood at the forefront of resistance to the forces of the Witch-king, mounting campaigns against his Orcs, Trolls, and Easterlings. Those were the days of the Royal Army. Now only mercenaries and adventurers remain to block the advance of Darkness. The conflict rages on, but it is a war of pillaging, burning crops, and inconclusive sieges; war with little honor and no glory.

A Campaign Module suitable for use with MIDDLE-EARTH ROLE PLAYING™ (MERP), ROLEMASTER™, FANTASY HERO™, and most other major Fantasy Role Playing Games.

Life is hard and unforgiving for the peoples of Cardolan. For those with ambition and a strong arm it is a time of opportunity. The Princes of Cardolan are always at war, and few mercenary bands ask for references. Sell-swords, noted for low pay and a high mortality rate, fuel the constant strife. For those with a higher purpose in mind, there is always the threat of the Witch-king and his agents. The mightiest of these is the noxious Warlord whose demise few would lament.
