The Song of the Dead Whale

Article published in Casus Belli N ° 45 -

THE WILDLIFE SHIPS

The mission

Friday, November 13, 1899. Like a poisonous flower with a head of charms in the autumnal sun. A meeting is being held today in the heart of the city center. While outside the streets resound with a place outside time, which would not disfigure the hottest city. Lebch, leader of the SAUVE for the Far East. The individual favorites. After a vague nod to his guests, he began his presentation.

"Ladies and gentlemen, I thank you for having responded to me. I entrust you with a mission ... hum ..., rather precarious .."

Leach uses a large glass of brandy without saying anything, before

"As you know may be Nuevo Rico is a small dictatorship of the control of a repugnant individual: Hugo Perrarez. Now this is

"This one, Diego Sanchez, was sentenced to death last week and is using Voodoo to strengthen his personal power and he has Jatai, which is located on a small island a few miles from the coast
