

## •Cyberware & Bioware Selection

Character:

This template is for working out cyberware and bioware for starting characters. For working out new implants for characters in play, use the Cyberware Installation and Bioware Installation templates from UCAS Online.

## Cyberware

[illegible]

Remember that characters cannot start play with any equipment that has a Rating of more than 6 or an Availability of more than 8. Also note that neural bioware already counts as Cultured and its grade cannot be improved further.
